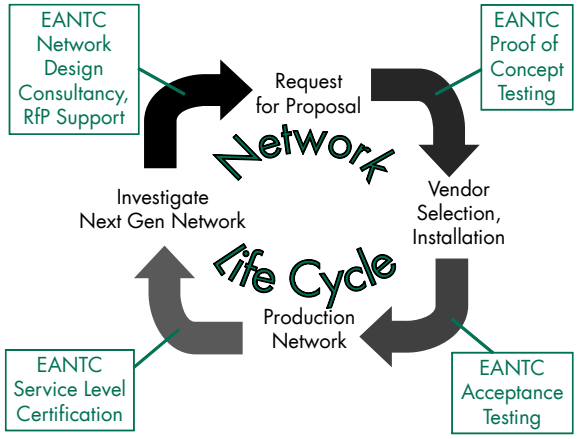
EANTC

EUROPEAN ADVANCED NETWORKING TEST CENTER

EANTC Tests And Assures Mobile Network Quality
Mobile World Congress, Feb 25–28, Booth 7 F02



The European Advanced Networking Test Center (EANTC), one of the leading vendor-independent telecom test labs worldwide, will be on site in Barcelona with Carsten Rossenhoevel, Managing Director, and our team of consultants. We look forward to meeting you regarding our turn-key service provider testing solutions for:

- Packet-based Mobile Backhaul and Synchronization
- LTE/Evolved 3G Mobile Core
- Policy Control Solutions
- Scalability and performance evaluations

- **Contact:** Kathrin Henze, henze@eantc.com, +49 30 3180595 39

  We will be happy to schedule a personal appointment and look forward to meeting you in Barcelona!

- **Testing with EANTC – Your Benefits**
  - We validate latest network technologies in **realistic**, **end-to-end** scenarios at scale, providing you with **competitive advantage** and accelerating time-to-market of new services
  - Our areas of expertise cover **mobile backhaul, core, packet transport, network security** and **application-aware networking**
  - EANTC tests and audits help to **monetize** technological breakthroughs and to increase the network functionality and scale while **reducing operational risks**
  - Our vast experience guide SPs through individual test campaigns quickly, adapting to individual network design requirements
  - EANTC's service audits **enable better SLAs** and extend the network life cycle

Recent News

Benchmark Test of LTE Policy Controller	EANTC tested Comverse's DMM Policy Manager with up to 31.5M subscribers
First European Software-Defined Networking (SDN) Multi-Vendor Interoperability Test	EANTC tested brand-new SDN solutions in a service provider WAN context, including the interworking with MPLS networks
MEF Carrier Ethernet Certified Professional (CECP) Seminars	EANTC is the only continental European Accredited Training Provider

EANTC Aktiengesellschaft, Salzufer 14, D–10587 Berlin, Germany
Registered: HRB 73694 Amtsgericht Charlottenburg, Berlin, Germany
Managing Directors: Carsten Rossenhövel, Gabriele Schrenk; Chairman of the Supervisory Board: Chairman: Herbert Almus
